Artist support and collaborations

Financial support and collaborations

The Carss Park Artist in Residence Program provides accommodation (including electricity and water services) to the successful applicant. Other costs of the artist residency - including art materials and tools, transport, insurance and housekeeping - are the responsibility of the artist.

Artists who have applied for other support in the pursuit of their artistic project are encouraged to apply.

If your application is dependent on receiving other financial support from a grant/program/bursary or supported by another institution please give details here (include copies of your grant application/s if relevant, and key dates).

Please upload relevant documentation

Attach a file:

Council encourages collaborations and support the broader arts community. If your application is being made in collaboration with another cultural organisation or event, please give details here (include organisation, contact names, and key dates).

Access support

Form Preview

Council encourages applications from artists with a range of diverse abilities. If you require support to participate in the Artist in Residence Program, please outline your access requirements here.

Support person

The Artist in Residence Program has been established to provide a place of retreat for creative work outside the demands of everyday life. Applicants may bring a partner or support person, but should notify Council of their intention to do so.

Please note, no more than two people may reside in the residence and it cannot accommodate children. Pets are not permitted.

Partner or support person's name
